EDUCATION

Indian Institute of Information Technology , Una, 2022-26
Bachelor of Technology in Computer Science and Engineering

Indian Public School, Shahpura, 2021
Central Board of Secondary Education 12th - 90.8%

PROJECTS

Smart Attendance System May 2024 – Jan 2025
Role: Developer

- Developed a contactless smart attendance system combining face mask detection and fingerprint recognition using OpenCV and CNNs.
- Achieved 85% accuracy, reducing manual effort and promoting safety during COVID-like scenarios.
- Tech stack: Python, OpenCV, TensorFlow.

Time Series Forecasting Jan – Apr 2024
Role: Developer

- Built and fine-tuned forecasting models using LSTM, SARIMA, FB Prophet, and XGBoost in Python on Google Colab, improving prediction accuracy by 18%.
- Analyzed 5+ years of stock price and trading volume data from Yahoo Finance to identify trends and seasonality.
- Captured seasonal fluctuations with SARIMA and improved sequential data handling with LSTM for better long-term predictions.
- GitHub: github.com/Adiwebtya/Time-Series-Forecasting

Disorder Detection System Aug 2024 – May 2025
Role: Developer

- Developed a real-time disorder detection system using OpenCV and CNN, achieving a detection accuracy of 92%.
- Automated facial and body language analysis to identify behavioral patterns, reducing manual workload by 60%.
- Optimized algorithmic efficiency, improving system response by 20% for real-time applications.

INTERNSHIP

Object Detection — Computer Vision, Deep Learning, Python December 2024 – January 2025

- Implemented **YOLO (You Only Look Once)** and **Single Shot Multi-box Detection (SSD)** algorithms for multiple object and face detection in images.

ACHIEVEMENTS

- Authored engaging blog and social media posts for IIIT Una's sports handle, [Instagram](#), reaching over 60K+ viewers and increasing campus engagement.

LEADERSHIP

- Led as Captain of the IIIT Una Badminton Team (XSpark), fostering team collaboration and achieving competitive success.
- Served as Co-Coordinator of Zenith Club, IIIT Una, managing events and driving student engagement initiatives.
